Cat5e/6 Unshielded Surface-Mount Junction Box, 110 IDC, TAA

MODEL NUMBER: **N237-001**

Fast, easy, cost-effective way to directly connect 2 Cat5e/6 cables without using couplers or connectors. Ideal for audio/video, voice and Ethernet applications.

Highlights

- Uses standard 110 punchdown termination
- Recommended for use with solid conductor cable
- Color-coded for 568A/B wiring
- Mounting hardware and cable ties included
- Durable ABS UL 94V-0 plastic housing

Package Includes

- N237-001 Cat5e/6 Unshielded Surface-Mount Junction Box
- Mounting hardware
- (2) Nylon cable ties

Description

The N237-001 Cat5e/6 Unshielded Surface-Mount Junction Box is a fast, easy, cost-effective method of directly connecting two Cat5e/6 cables without using couplers or connectors. Designed for completing audio/video, voice and Ethernet applications, this junction box comes with screws and double-sided adhesive tape for quick mounting, as well as cable ties for keeping the cables neat and secure. It's made from ABS UL 94V-0 plastic and is recommended for use with solid conductor cable. The UL-listed box is color-coded for 568A/B wiring for easy 110 punchdown termination.
